**The Election.**

Our city and school election passed off Tuesday with its customary quietness. No one would have known there was an election going on, so far as excitement and demonstration was concerned.

George Murray was chosen mayor over Dr. C. L. Evans. Lin Carroll was elected collector. Paul Frye was chosen alderman from the east ward and Roy Kunkel re-elected alderman from the west ward.

At the school election, L. I. Moore and George Lehner continued as members of the school board. The increase tax levy of 45 cents was carried—this will make our school tax 85 cents on the \$100, this is a reduction of 15 cents as compared with last year.

**News Snapshots  
Of the Week**

During the month of March several snowstorms, with temperatures above freezing, followed as though consecutive to each other. The trades in every newspaper in town and those of the news media reported the weather as being unusually severe. The snows were heavy and the strain of snow until Dr. A. W. Atwater, New York, reported in the New York Times, "Passed near the south pole."
